

UPAL Peer Mentor

Description

UPAL peer mentors meet weekly with a small group of students to help them refine and enhance their academic strategies and work productively through any academic challenges.

- Be prepared to co-lead a one-hour UPAL session each week (curriculum provided).
- Submit weekly attendance and session reports.
- Attend one-hour weekly all-mentor meetings.
- Regularly check and respond to emails.
- Lead sessions with professionalism and a commitment to the learning of all students.

Qualifications

The Peer Mentor must:

- Be a Northwestern University undergraduate student.
- Be in good academic standing.
- Be committed to fostering learning environments where students with a wide variety of social identities feel valued and included.
-
